

Try it before you buy it!

Test various assistive technology (AT) and communication devices under the guidance of a highly trained therapist before buying one.

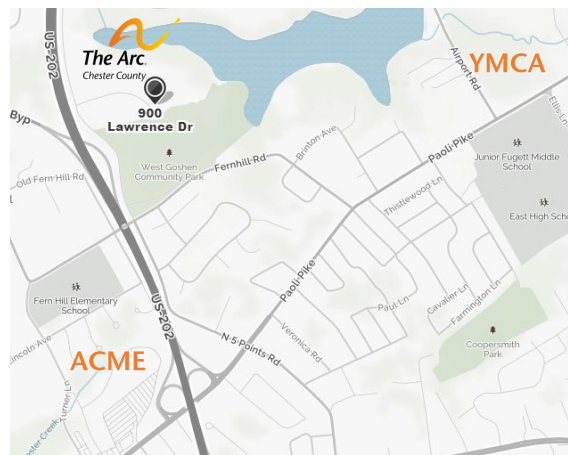

- ♦ AT observations are conducted *onsite* at The Arc of Chester County
- ♦ Wide variety of AT equipment and methods to trial during observation
- ♦ Multi-disciplinary observation based on needs (Occupational Therapist, Speech & Language Pathologist, Physical Therapist)
- ♦ Write-up of observation with recommendations

Available to residents aged 21 and older and who are eligible for intellectual disability services with the Chester County MH/IDD office.
